EDUCATION

Universitat Politècnica de València
2016 - 2023

B.S.: Computer Science

Major in Information Technologies (IT)

Florida Universitaria (Catarroja)
2014 - 2016

*HND: Multi-platform Application
Development*

SUMMARY

Results-oriented Full-Stack Developer with a proven track record of building and maintaining complex web applications.

Proficient in delivering end-to-end solutions using a diverse tech stack, including PHP/Laravel, Node.js, and TypeScript/Angular.

Experienced in architecting robust enterprise C#/.NET applications, containerized deployments with Docker, and managing both relational and NoSQL databases. Passionate about solving complex challenges and translating technical requirements into elegant, scalable, and maintainable code.

EXPERIENCE

Skydone Solutions

Web Developer / 2017 - 2022

- Developed and maintained web applications using Laravel and Node.js, integrating with PrestaShop APIs to streamline e-commerce workflows.
- Engineered desktop applications with C#, focusing on performance, and user-centric functionality.

IT Solutions - Avantio

Mid-Senior Web Developer / 2023 - present

- Engineered new features and maintained complex legacy codebases, ensuring high system availability and optimal performance.
- Designed, developed, and provided end-to-end support for a diverse range of front-end applications and back-end services.
